Content Locking Ideas!

AdWork Media's Content Locker is a proven solution for monetizing nearly all types of web content & traffic. Content Locking can easily outperform profits from PPC and display advertising models!

3

Content Locking Ideas

Lock apps, blogs, ebooks, sites, and more...

Content Locking allows you to monetize your online traffic easier and more effectively than any other ad service. Our Content Lockers can be seamlessly integrated into apps, websites, blogs, games, & more with ease.

How To Sites

Lock your how to plans, such as building designs, build a potato gun, how to build a skateboard ramp, how to fix a flat tire and more!

Music Tabs

Know how to play chords from your favorite songs? Content lock them and share them with the world. Also lock your playing guides and more!

Graphics Tutorials

Know how to make cool looking buttons or other graphics? Lock your photos, images, icons, designs, patterns and more!

Games

Create fun flash, online games, and others. Think you can be the next minecraft? Lock upgrades and more so your players can unlock virtual currency.

Programming

Content lock your HTML, PHP, Scripts, and more! Also create tutorials that show users how to program certain scripts!

Game Cheats

Did you just find a secret passage in one of your favorite games, or did you just beat all 127 levels in a computer game? Create a walkthrough and lock it for your traffic!

Ebooks

Did you just write an ebook or an informational guide? Content lock it and share it with your traffic. Talk about anything from making money online, to instructional guides.

Checkouts

Stop charging users to buy your products. Start having them complete offers to quickly and easily get access to your products.

PDF Conversion Sites

Have users complete an offer to convert their DOC files and more to different formats, such as PDF.

Fax Sites

Host a fax site, where users can send out 1 free fax with the completion of a survey or trial offer!

Membership Upgrades

Do you have a blog, or forum that has upgrades available to your user? Ones that you might usually charge for? Lock your upgrades and have users complete offers to access the upgrades!

Quality Content

Content lock quality content, such as blogs, quote sites, lyric sites, and more! Keep in mind, that original content converts better than something that is rehashed!

Musicians

Instead of charging for your music, or album. Have users complete an offer or trial to get your music for free! This method has been proven to help jumpstart bands!

Music Lessons

Lock your playing style and lessons. Teach your traffic how to start playing the guitar, piano, or drums and lock the content!

Hosting

Have a server or a reseller hosting plan? Have your traffic complete offers and surveys on a content locker to unlock space on your hosting server!

Apps

Create any Apple™ or Android™ app and content lock it. Or use the locker as a way for users to upgrade or unlock virtual currency in the app!
